Riders ride at their own risk.

The Advisory Committee, together with the Technical Delegate and Executive of the PCA, are final arbiters in making decisions on protest or policy, and reserve the right to make any amendments, alterations or deletions to the programme as required.

31. TECHNICAL DELEGATE

The Technical Delegate will be appointed by the PCA Executive for each discipline. He/she will supervise a briefing of Team Managers and together with the Advisory Committee and Judge concerned will officiate in matters of dispute or official protest. His/her duties are to adjudicate on objections, to decide on eliminations and generally to ensure that the competition is run in accordance with the rules. He/she may replace a Line Steward, Starter or Judge, if he/she considers this is necessary. He/she may, on his/her own initiative, "object" and take action on any matter that comes to his/her notice. In general, his/her decision is final and binding, however, matters of extreme contention must be referred to the Advisory Committee. The Technical Delegate will brief all Stewards, the Starter and Judge/s and Time Keepers prior to the competition.

32. LINE STEWARDS (Mounted Games)

There must be two Line Stewards for each lane of the Mounted Games. Stewards will be briefed by the Technical Delegate prior to the commencement of the Games. Line Stewards to be selected by the Advisory Committee.

1. The Line Stewards' signals are for guidance of the Technical Delegate and the Competitors. Line Stewards are briefed by the Technical Delegate and familiarised with required flag signals.
2. Line Stewards must have a thorough knowledge of the rules and have studied carefully the details of each race in the competition they are to steward. They must be over 17 years of age. Same Line Stewards should be used throughout the whole competition where possible.
3. They must attend any briefing by the Technical Delegate prior to the Games and at any other time as notified. Punctuality is essential.
4. The Line Steward's position is three or four yards beyond the finish or Changeover line and in line with the lane they are judging.
5. Line Stewards must wear coloured bibs or armbands (4" wide) for lane identification. This prevents unauthorised personnel giving signals. Bibs and/or armbands will be given out by the Technical Delegate.
6. Where possible, Line Stewards should not act in the lane of a heat or final in which their own team is competing.
7. Each Line Steward carries a flag the same colour as the lane. Any infringement of the rules must be signalled at once by raising the flag, keeping it up until the end of the race unless the infringement is corrected, when it is immediately lowered again. When a Line Steward signals an infringement, the Line Steward at the opposite end MUST also signal with their flag.
8. Line Stewards must not call back or call instructions to any competitor, but they must answer a competitor's question (as briefly as possible).
9. Line Stewards at the changeover line should ensure that competitors do not ride back down the arena until the race is over. They must stand away from the "playing area".
10. If one team's equipment is upset by another team, the nearest Line Steward of the team upset should quickly set this up again, if it is safe to do so.
11. Close concentration is necessary by Line Stewards and Officials, throughout each race. Line Stewards must be sure not to be distracted by anything - even a bad upset in another lane.
12. Competitors should be made aware of the Starters whistle in the event of a false start.

33. COLLECTING RING STEWARD (Mounted Games & Team Sporting)

He/she checks that items of dress and saddlery are not changed after the inspection without reference to the Technical Delegate. He/she keeps order in the Collecting Ring and gets teams ready to send them into the Arena when required. He/she should deal through Team Managers who should remain in the Collecting Ring and be given bibs, cap covers and/or arm bands to be put on team members. Team managers are also responsible for collecting the bibs, cap covers and/or arm bands immediately following a heat and returning them to the appropriate Steward.

34. TIME KEEPERS (Mounted Games & Sporting)

Each Mounted Games & Sporting lane will be timed by one person with two stop watches. One watch is nominated as the primary watch and the second is a back-up watch only. Time Keepers are to be located on a raised platform in line with the finishing line and on the edge of the arena. Time Keepers are to be briefed by the Technical Delegate prior to the commencement of the competition. In the event of electronic timing equipment not being used, the Timers/Judges place the competitors as they cross the finish line and they must not concern themselves with infringements. The Judges/Time Keepers place all teams and record these places (in case of eliminations).

35. WORK HEALTH AND SAFETY

As part of the Associations continuous improvement process, in regard to Work Health and Safety a Safety Officer will be appointed for all State Championships, this Safety Officer will conduct a risk assessment for the event (including *where necessary*, checking that all electrical appliances and leads have been tested and tagged and that power outlets are not overloaded), give a Safety Briefing at the start of the Championship and be the first point of reference for issues relating to Work Health and Safety. This Safety Officer will work in conjunction with the Technical Delegate to ensure the safety of all riders, officials and spectators.

Riders, officials and spectators are reminded of the responsibility to themselves and others in regard to safety and requests that any issues be reported immediately. ENTRY FEE	\$45 per competitor + \$15 Cattle Levy per competitor
NOMINATIONS CLOSE	Friday 26th February 2016
TEAM MANAGER MEETING	5pm Monday 11th April 2016
EVENTS	Junior Team Competition (3 riders aged 13 & under 17 years) ribbons to 5 th place Associate Team Competition (3 Associate riders) ribbons to 5 th place Junior Team Championship Associate Team Championship
AGE GROUPS	Ages are taken at the first day of competition; Junior – 13 & under 17 years Associate
ELIGIBILITY	Zone Teams: Riders must have competed in at least 3 Team Penning events in the last 12 months. Venues to be stated on the nomination form. Each rider can only compete in one team.
UNIFORM	Each rider is to wear their own Zone uniform and saddlecloth. Full Pony Club Uniform is to be worn i.e. shirt and tie, and either fawn or oatmeal jodhpurs. Sporting riders are permitted to wear fawn, bone or oatmeal riding trousers designed specifically for riding or labelled stockman cut, moleskin or similar appellation, the top of which should be at the rider's waist and the length of which shall be such that when mounted the top of the riders boot shall be covered. Riding Trousers may not be worn with long boots.
MINIMUM ENTRY REQUIREMENTS	At least 5 Teams in any Age Group must be entered for the Championship to run.
RULES	30 head of cattle marked with coloured collars (or numbers) in sets of 3. (ie. 3 red, 3 blue, etc.) are at the "mob" end of the arena. Teams (3 riders) attempt to cut out the assigned cattle from the mob and gather them in the "pen" at the opposite end of the arena within a 2 minute time limit. 1. The judge calls the assigned collar colour (or number) as the NOSE of the first horse crosses the start/foul line. 2. A run commences timing when the NOSE of the first of the three (3) horses crosses the start/foul line. 3. Within a two (2) minute time limit, a team (3 riders) will attempt to cut from the mob and pen three (3) head of cattle with the assigned collar colour (or number). A warning bell is issued with thirty (30) seconds remaining on the run. 4. A team may only call for time ONCE. 5. To call for time, one (1) rider ONLY must come to a STOP and STAND in the gateway of the pen – with a minimum of the horse's nose to a maximum of a vertical line at the horse's chest in the pen gate, and raise his/her hand when all or some of the assigned cattle are penned. The remaining two (2) riders must be on the pen side of the start/foul line, and ALL non-penned cattle must be on the mob side of the start/foul line. 6. A team may call for time with only one (1) or two (2) of the assigned cattle penned – however, teams penning three (3) head of cattle will place higher than those penning two (2) head, and two (2) head will place higher than teams penning one (1) head – regardless of the time. 7. Time cannot be called until assigned cattle are in the pen and all other cattle are on the mob side of the start/foul line. If time is called before all "spare" (including assigned cattle not being penned) are on the pen side of the start/foul line, a "no-time" will be recorded. 8. No time will be awarded if incorrect assigned cattle are in the pen when time is called 9. Any more than five (5) head of cattle at any one time on the pen

	side of the start/foul line will incur a “no-time” being recorded for that run. A line person will be in place to monitor the start/foul line for too many across the line. 10. NO person or horse is permitted to enter the pen at any time. All removal of cattle from the pen is to be done from outside the pen. This is a WHS ruling. 11. A team must stop working cattle immediately when called a “no-time” by the judge or at the 2 minute bell. 12. Any team exhibiting unnecessary rough handling or rushing into or at the mob at excessive speed, may result in disqualification at the judge’s decision. 13. Once the three (3) riders have entered the arena and the run has commenced – where a horse is deemed out of control by the judge’s decision – any rider that dismounts, horse falls, rider is thrown or falls – will result in that run being terminated without a time being recorded. 14. No whips may be brought into the arena. No hitting of cattle with any object is allowed. Hazing cattle with hats, reins or rope will be cause for termination of that run. Slapping of hand or rein to own leg is permitted. 15. At the judge’s discretion, a team may be awarded a re-run if one (1) or more head of cattle is deemed unsuitable (healthwise) or escapes the arena. 16. Competitors will only be called three (3) times to be present for their run. If that team does not present at the “in-gate marshal area” by the third (3rd) call, that run may be made void at the judge’s decision. 17. Cattle may not be shouldered or pushed by either horse or rider during the run. Abuse of cattle or horses will be the cause for immediate disqualification of the run without refund of entry fee. 18. When the 3 whole beasts, of your given colour, are across the centre foul line, your team are committed to those cattle. The Judge will say “Committed”. If one or more o those beasts (whole beast) go over the centre foul line it cannot be reclaimed. That lost beast then becomes part of the existing mob, known as a “lost beast”.
